HINDS COMMUNITY COLLEGE

The name "Hinds Community College" brought many images to mind this year. The warm climate and relaxed lifestyle of Central Mississippi contributed to the laid-back atmosphere that many people perceived to be the prevailing attitude of college life.

However, things were not always how they appeared on the surface. Hinds' student body was made up of many different people, all sharing similar ambitions. Many states of the union and all eighty-two counties of the State of Mississippi were represented in Hinds' population. In addition, the age of students ranged from seventeen to sixty years old. There were single students, married students, and a large percentage of students working full time in addition to taking classes.

There was no such thing as a "typical" students or a "typical" college experience. Each of our lives was touched by the variety of people we met and the unique experiences that were available.

Although movies and books often depict college life as just a series of parties, it was not so easy to describe Hinds. One only had to look under the surface of the oak trees and blue skies to find the people, places and events that were all a part of Hinds Community College 1990.

ACADEMICS

Hinds is a comprehensive, associate-degree granting institution offering to a diverse and capable student body a wide range of opportunities and challenges for learning and growth. Hinds is a leader of the Mississippi Community/Junior College system. Boasting an enrollment of over 11,000, our institution offers many academic programs from agriculture to zoology. Hinds grants many degrees during the year turning out highly qualified graduates to the community and state. Within the divisions are many components performing specialized teaching, research, and service activities including the Cooperative Education Program. All of these elements give Hinds students an endless number of chances to expand their knowledge and enjoy themselves at the same time. The goal of the administration, faculty, and staff of Hinds is to provide the opportunity for each student to gain the tools they need to fulfill their

aspirations in life. Hopefully, each student becomes a more complete, mature, and independent individual in the process. Hinds' tradition of excellence has been established by the creation of an environment where a person can be what he wants to be because of his talents and abilities, without regard to his economic, social, or political background.

INVOLVEMENT

One of the most distinguishing characteristics of Hinds Community College is the astounding number of students who get involved in campus activities — whether it be academic, social, political, or some or all of these and others.

For the academically oriented there are such organizations as Alpha Beta Gamma, Alpha Rho Tau, Phi Beta Lambda, Mu Alpha Theta, and members of Phi Theta Kappa; the College's highest honor, constitute Hinds' very own "brain trust."

Service and social organizations form the crux of Hinds' student organizations. Hundreds of students come to Hinds every year aspiring to become a part of this Hinds institution. The Hinds Connection, Circle K, Baptist Student Union, Reformed University Fellowship, PASTE, and other service and social organiza-

tions give students ample opportunity to enjoy themselves.

Everyone interested in getting involved in student politics has numerous opportunities to do so. Dormitories offer several opportunities; floor representation, Hall President, Hall Council, etc. On a campus wide setting there is the ASG (Associated Student Government) which offers many ways to get involved. The Hinds Hi-Steppers, Eagle Band, Choir, Lendon Players, *The Hindsonian*, and the *Eagle* yearbook are a few organizations to get involved in.

Overall, Hinds is a very active school. With over 100 organizations and honoraries on campus there is bound to be at least one organization to suit everyone who wants to become involved in Hinds Community College.

SPORTS

Sports at Hinds Community College come in a variety of different sizes and forms from football at Joe Renfro Stadium to intramural volleyball in Denton Gym.

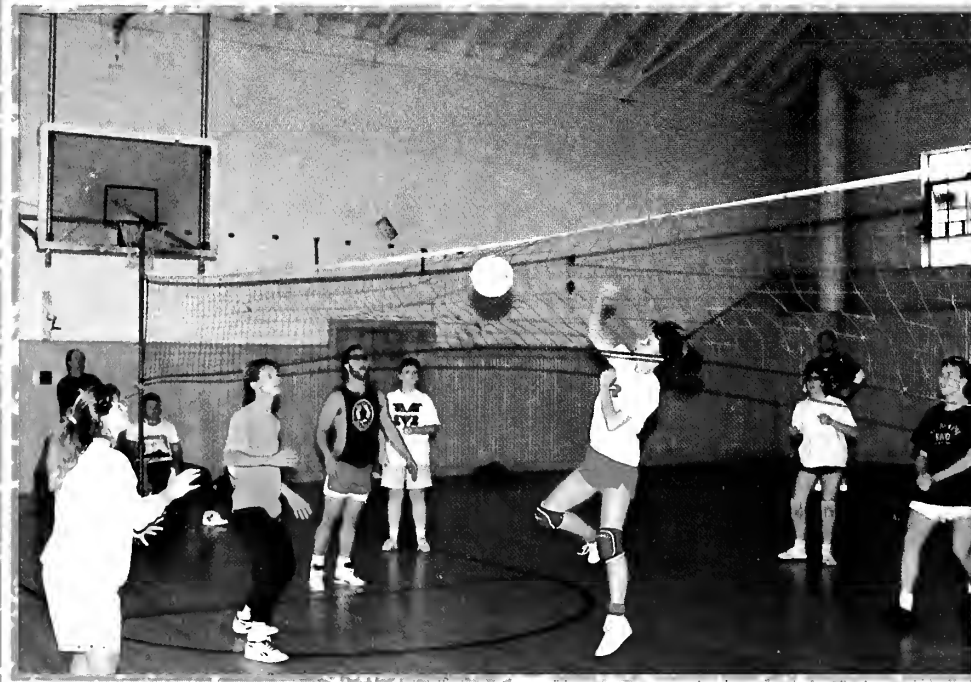

Entertainment, competition, and fitness, all of these describe sports at Hinds. Students enjoy sports in a variety of different ways. Some choose to be members of one of Hinds' nine intercollegiate varsity teams, others participate in the intramural program, still others become cheerleaders, trainers, managers, or simply interested spectators.

Whether following Coach Rick Clarke's Baseball Eagles to the JUCO World Series, playing in an intramural football game, or cheering from the sidelines, sports activities are an important part of college life at Hinds.

Eagle spirit here at Hinds is very enthusiastic when it comes to supporting our teams. The fans go out of their way to cheer the Eagles on. Fans will travel almost anywhere for

a road trip and to see their team play.

Even if the season does not go as expected, we will always support our teams and school. We are the Hinds Eagles and proud of it!

STUDENT BODY

Hinds Community College is indeed "The College for All People." No matter how many impressive, modern, "state-of-the-art" buildings and academic programs can be assembled on campus and throughout the state, it is the people that make the difference at our institution.

Every year over 11,000 freshmen, and sophomores, some commuters, some dorm students, migrate to Raymond, Rankin, Nursing/Allied, Sunset Drive, Universities Center, Utica and Vicksburg to share a campus, a college, and an assortment of experiences that will guide them the rest of their lives. It is these students and the administration, faculty, and staff of Hinds that give the various buildings, academic programs, and other activities meaning and life. The individualism and uniqueness of the people of Hinds (past and present) are the ingredients that when combined, form the traditions of the past and the dreams of the future. Dr. Clyde Muse, president, made a

statement that when applied to all of the people of Hinds, clearly explains why Hinds is such a special institution. "I must be me — and I must be the very best me that is possible."

Above. Students wander the campus trying to settle into the everyday routine of college life and look for ways to enjoy their new found freedom

CAMPUS LIFE

What more could a student at any college ask for? A campus with eating places, a gift shop, book store, post office, library, and even a convenience store is a rarity to find. This is not true about Hinds Community College campus where the conveniences are numerous. Not only can one eating place be found, but three different types.

The eating places for students and faculty vary from the Moss Hall Cafeteria to the Deli to a luncheon spot by the name of Hiney-Ho Cafe.

After trips to the book store, stops by the gift shop, and eating there is no money left in the pocket, what is a student to do? Quick! Go to the post office! There the answer to the problem can be found — Mini Bank. Thanks to Trustmark National Bank and their automated bank teller, the life of a student is saved once again. It is as easy as one, two, three. The student keys in his or her personal

code, and out pops the crisp twenty dollar bill that is to last until time to call Mom to deposit more money in the checking account.

The student may not only enjoy the conveniences of Hinds' campus, but he is given the opportunity to earn a little extra money. Many workers on campus are students who hold jobs in all facilities, from the Reading Department to the library. More than tangible benefits appear on campus. Intangible benefits, such as binding friendships between students as well as faculty members, are not a rarity.

Fortunate is the only word to describe Hinds Community College students and faculty. They are living within a campus with many accommodations and are forming friendships that will hopefully last a lifetime.

STUDENT ACTIVITIES

Never a dull moment! Life at Hinds may be many things, but never boring. Hinds has a very active campus. No matter what activities interest an individual, it is easy to find something to do. The Student Activities office provides many opportunities for Hinds students to become involved in campus activities. From student elections to Mess America to Hiney-Ho Day and the "Beauty Revue," there are numerous activities for students who wish to be involved and become a part of Hinds. Mississippi and the Arts Week, the Miss Hinds Community College Pageant, Lendon Player's Productions, pep rallies, and Homecoming Week also provide enjoyable diversions. For students who enjoy partying, there is always something going on from September to May. Dances, movies, and

the local night life of Jackson gives students a number of party options. Students' tastes vary from rock to country to wacky and wild. Hinds offers something for everyone.

Above. Lacy Luckett, Jennifer King, Robbie James, and Jennifer Jacobs participate in the "Beauty Revue," the Hinds Beauty pageant. Over 65 girls participated in the pageant giving them a chance to become one of the campus beauties.

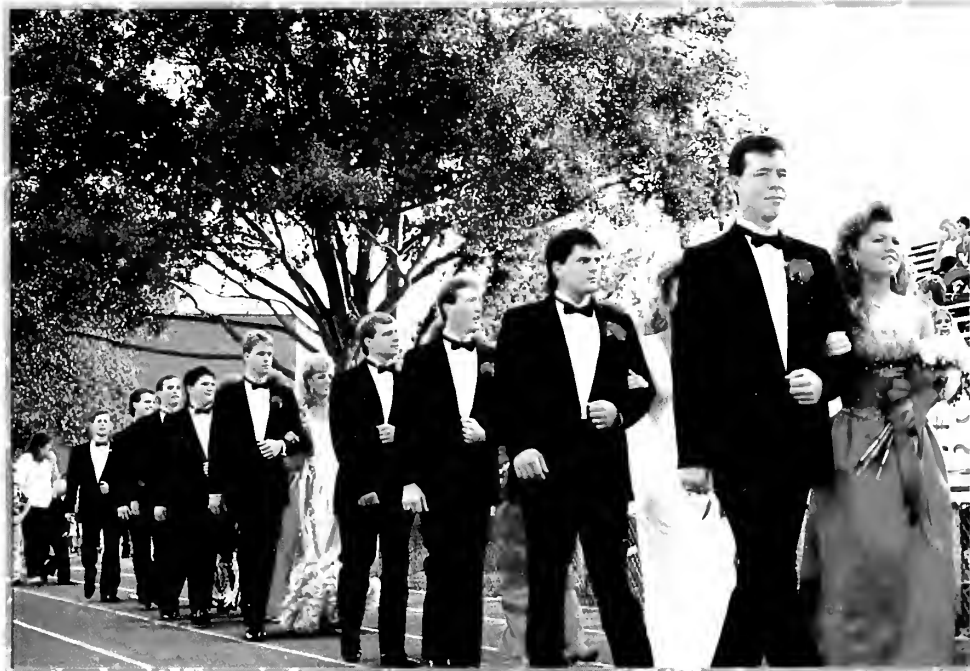

Right. "The Creek" provided entertainment for the Halloween Dance held in Mayo Fieldhouse. Other dances were held this year to celebrate Homecoming, Valentines, and Christmas.

FRIENDS

Friends at college are unique and everlasting. They help make college bearable. Without them life would be boring and uneventful. For some, the only thing that can get them through the endless hours of class is their friends. They are there when you need a shoulder to cry on, a familiar face to laugh with, someone to go out and party with, a helping hand with that class giving you trouble, or just someone to talk to. Finding new friends is a wonderful part of college. Rich in spirit and affluent in warmth, Hinds strives to be an academic institution that combines the heart with the intellect. It seems to be doing a great job of it, as reflected in the friendships made at Hinds.

Whether attending a ball game or a religious service, whether at a party or in a class, whether attending a campus-wide event or just sitting around campus, one can always see friends with smiling faces.

1990 *EAGLE* DEDICATION

Throughout the history of the *Eagle* yearbook at Hinds Community College many fine people have graced these two pages we call the Dedication. Such people as Dr. Clyde Muse, Mr. Cliff Nelson, Charles and Alice Walker, Mr. Mike Hataway, Dr. John Manchester, Mrs. Anne Hardy, Professor A. L. Denton, and many others have had this book dedicated to them in their honor.

As we enter into another year, a new generation, and a new decade, there are changes to be made. The tradition of the dedication has come to an end. This will be the last volume of the *Eagle* to include with it an honorable dedication.

As we close out this tradition the 1990 *Eagle* staff is proud to dedicate this yearbook to the Administration, Alumni, Faculty, Staff, and Students of the Hinds Community College District.

The Administration at Hinds is dedicated to the educational process. The education and practical experience background of the Administrative body results in a better education for the student. The Administration of Hinds is the future of what the college will become. Through their leadership we will progress into the future as a leader of community and junior colleges.

Through the Development Foundation our Alumni remains active in the life of Hinds. The Alumni of Hinds are the past of what the college was. Through their loyalty to the college they have helped Hinds with their contributions to become what it is today.

Teaching is the primary purpose of the college. Our excellent Faculty is a combination of people with strong academic backgrounds in their expert fields. They put the needs of the students first, in and out of the classroom. The Faculty of Hinds are the inspiration. They teach us the knowledge that is needed to guide us into a bigger and brighter future.

The Staff of Hinds are those people who serve you in the cafeteria, the library, the business office, and in all other aspects of the college. They are the support of what makes this college a more beautiful and friendly place to be. The Staff at Hinds has a willingness to help you when in need and they are always on hand for advice when you need it. Their loyalty and hard work to the college is what makes Hinds a better place.

The Student Body of Hinds is composed of individuals who have many things in common, but are also unique. The majority are from Mississippi, others from other states and even other countries. No matter what background they come from, as new students come to Hinds, they become a part of the rich traditions of our institution and begin new traditions for those who follow.

This book is dedicated to the Administration, Alumni, Faculty, Staff, and Students of Hinds Community College. In no other way can the greatness of Hinds be shown than through the people who work and study here.

Hinds Community College is proud to present the HCC Eagle Band! The fall of 1989 saw the HCC Eagle Band of Hinds Community College set new standards of excellence, both in size and in quality of performance. Under the leadership of Howard Cohen, Director of the Band, the Eagle Band was distinguished not only in size, but also in quality of performance.

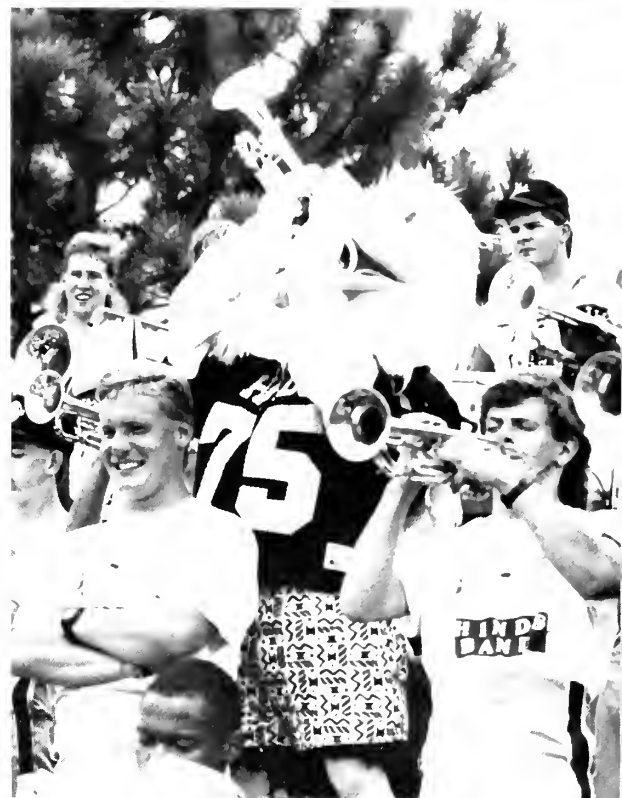

Such a rigorous performing schedule demanded hours of preparation from the dedicated members. After reporting to school one week before the start of classes for pre-school workshop, the Eagle Band could still be heard all over campus from five to six every afternoon. But one gets the feeling those echos from the intramural field are more than just the sounds of busy preparations for Saturday's show — they are the making of tradition. It's the tradition of one of the finest community colleges in the state — the Eagle Band of Hinds Community College.

The first outing of the season for the Lendon Players was a musical, "Pump Boys and Dinettes." This musical was presented in the fall. The Lendon Players presented two plays in the spring, "The Music Man" and "The Foreigner."

The Lendon Players are the drama organization at Hinds Community College. They encourage attitudes and ideas in all aspects of the theatre both onstage and backstage. They are an active group of students who perform some community service projects every year. They present productions in the Little Theatre in Brooks Speech and Drama Building each semester. They also host an annual Lendon Players awards banquet where awards are given for outstanding performances and for significant contributions to the organization.

"PUMP BOYS AND DINETTES"

The Lendon Players presented "Pump Boys and Dinettes" for their first production of the season.

The play, different from previous musicals presented by the Lendon Players, was like a staged concert of country/western music. The play was written by John Foley, Mark Hardwick, Debra Monk, Cass Morgan, John Schimmel, and Jim Wann.

The setting for "Pump Boys and Dinettes" took place between Smyrna and Froglevel, Georgia on Highway 57. Jim, Eddie, Jackson, and L.M. own a filling station that is located across the highway from a diner run by Prudie and Rhetta. Some of the songs included in the musical were: "Highway 57," "Put on Your Drinking Shoes," and "The Night Dolly Parton Was Almost Mine."

The play ran nightly from October 31 through November 4.

L.M., Eddie, Jackson, and Jim sit around their filling station on Highway 57 dreaming about the Dinettes, who are just across the street.

Rhetta Cupp, who owns the Double Cup Diner with her sister Prudie Cupp, sings about a "Vacation."

FCA has a challenging opportunity of ministering through its college fellowships. These are young men and women who are currently participating in athletics at Hinds Community College, or those who participated previously at their respective high schools. This common bond of sports affords them the opportunity to share their faith, their struggles, or maybe just to lend an ear to someone else's ups and downs.

This goes hand in hand with the purpose of FCA which is to present to athletes and coaches and all whom they influence the challenge and adventure of receiving Jesus Christ as Lord and Savior, serving Him in their relationships and in the fellowship of the church. This is accomplished through Bible studies, State Conventions, special music groups, rap sessions, guest speakers, and special projects.

What better witness can we protect than the one our peers see daily, both on and off the athletic field.

Resident Advisors

When you think of residence halls, perhaps a picture of buildings comes into your mind. However, residence halls are not only buildings, but people living together and forming communities. You have an opportunity to play a role in determining what your community is like as the year progresses. It is our hope that through interaction with other students and the Residence Hall staff, both individual growth and a sense of community will occur.

Your R.A. or Resident Advisor is the staff person in your area to whom you may turn with your concerns. He or she has the answers to your questions or can find them for you. Since the R.A. lives in your area, he/she can be your main contact for information regarding all aspects of residence hall living, policies, and activities.

Open

When is the only legal time for the opposite sex to be in your room? No, not when an R.A. is off duty. Open Dorm, perhaps? Yeah, that is right. The residence halls that were lucky enough to have an active Hall Council or Resident Advisors nice enough to organize Open Dorm were allowed to have guests of the opposite sex visit their hall during set times.

Study sessions, T.V. watching, group games, and other activities were all a part of Open Dorm this year. As long as doors were kept open and both feet stayed on the floor, Open Dorm was a favorite pastime for all HCC students.

Charlie McGinn, center, enjoys himself four times as much as other guys as, left to right: Mona Harrison, Dawn Raybon, Vallie Penn, and Donna Smith keep him company.

Resident Advisors Lady Conn, Kevin Silence, and Leigh Holiday get a chance to take a break while the Hall Council runs Open Dorm.

After searching, searching, searching they found each other at Open Dorm.

Freshmen in Marshall Hall experience their first Open Dorm.

Donna Smith, Vallie Penn, Joe Ingram, Nan Owens, Stephanie Fullton, Chad Neely, and Kathy Spann get together to make some plans for Open Dorm.

Our Pride Is Showing

Hinds Community College

The name, Dr. Clyde Muse, does not stand alone, as the nouns teacher, head coach, principal, superintendent, advisor, and inspiration also describe our President of twelve years. As apparent in his titles, Dr. Muse has devoted his life to our educational system. He has witnessed a growth in Hinds of approximately 12,000 students; up from 7,800 in 1978 when he first became President.

Dr. Muse's college career was fittingly launched at the junior college level, that of East Central where he served as president of the Associated Student Government and captain of the basketball team. After obtaining an associates degree, Dr. Muse went on to Delta State University where he earned his bachelor of science in the area of health and physical education. Here, he also held significant positions as the Associated Student Government's vice-president and the basketball team's captain. Seven years later, his curiosity and inquisitiveness took him to Mississippi State University where he acquired both his Master's and Doctorate Degrees in school administration.

Our leader's previous administrative and teaching experience is one of great diversity. His first experience as a teacher can be traced to Canton High School where he was also the head coach for both boys' and girls' basketball teams. Later, he held these same positions at Starkville High School where he eventually became the principal with the state champs as his basketball team. Moving up the ladder, Dr. Muse was soon recognized as Assistant Superintendent of Starkville Municipal Separate School District in 1965, four years later as superintendent for Hinds County Public Schools, and Superintendent for Meridian Municipal Separate School District three years following. This then made him our experienced and enlightened President over a decade ago.

One of the major responsibilities of being president of the Mississippi Community and Junior College Association, chairman of the Legislative Committee, and president of the College is to work very closely with the legislature in matters that can affect Hinds Community College and the state community college system in general. This liaison role between the State Legislature and the Board of Trustees is only one aspect of his presidency. He possesses responsibility for all operations in his everyday administrative duties of the College.

Aside from the educational aspect, Dr. Muse can be described as a religious as well as family man. He and his wife of thirty-eight years, the former Vashti Underwood, are members of the Raymond United Methodist Church where he also plays an active role as chairman of both the finance and stewardship committees. Dr. and Mrs. Muse are the parents of two daughters and one son, and have five grandchildren. Mrs. Muse is an educator as well in the reading department of Hinds and the two of them can be found together at all student activities lending enthusiastic support.

Dr. Muse extends a warm welcome to Governor Ray Mabus as he arrives at a Vicksburg site for a tour of the new Hinds Community College mobile computer learning lab.

President DR. CLYDE MUSE

Dr. Muse is pictured with Gary Collins, host of the ABC television show "Home," Collins' wife, Mary Ann Mobley, former Miss Mississippi and Miss America, and Hi-Stepper Director Anna Bee, at the Neshoba County Fair.

Dr. Muse and wife Vashti attend numerous campus events throughout the school year.

THE YEAR IN REVIEW

A catastrophic earthquake rocked Northern California on October 17, killing at least 62 people and injuring hundreds, caving in bridges and freeways, igniting fires and causing widespread damage to buildings. The quake which struck during the evening rush hour, just as Game 3 of the World Series was on the notorious San Andreas Fault. It was the second deadliest in the nation's history, exceeded only by the 1906 San Francisco earthquake that destroyed much of the city and killed more than 700 people.

A fiery explosion in a giant gun turret rocked the refitted battleship, U.S.S. Iowa, killing 47 sailors and injuring many others. The explosion occurred on April 19, 1989, in one of the battleship's three 16-inch gun turrets as the ship was taking part in a gunnery exercise about 330 miles northeast of Puerto Rico. After a lengthy study, the Navy said that gunner's mate Clayton Hatwig "most likely" caused the explosion in the battleship's No. 2 gun turret by inserting a detonator between two powder bags. But the investigation also alleged numerous lax procedures aboard the ship, including unauthorized experimentation with extra-strength gunpowder and projectile loads.

Miss Missouri Debbye Turner, a mirimba-playing veterinary student from the University of Missouri, was crowned Miss America 1990 this September. She grabbed and hugged first runner-up Miss Maryland Virginia Cha, of Frederick, and gave a thumbs-up sign to the audience before tearfully walking the runway. Miss Turner is the third Black woman to become Miss America in the pageant's 68-year history. She succeeds Miss America 1989, Gretchen Elizabeth Carlson of Minnesota.

The Exxon Valdez, a 987-foot tanker owned by Exxon Shipping Co., struck Bligh Reef about 25 miles from Valdez, Alaska, ripping holes in its hull, gushing millions of gallons of thick crude oil into pristine Prince William Sound. The result was the largest oil spill in U.S. History. Thousands of workers have helped scrub the oil-fouled shorelines, but as one environmental disaster consultant said, "A spill of this size in such a complex environment promised to be a cleanup nightmare." Exxon has pulled out its cleanup crews for the winter, and the state announced its own plan to protect fish hatcheries and those still untainted areas. Exxon has said it will re-evaluate the shorelines next spring and decide then whether to resume the cleanup on a large scale.

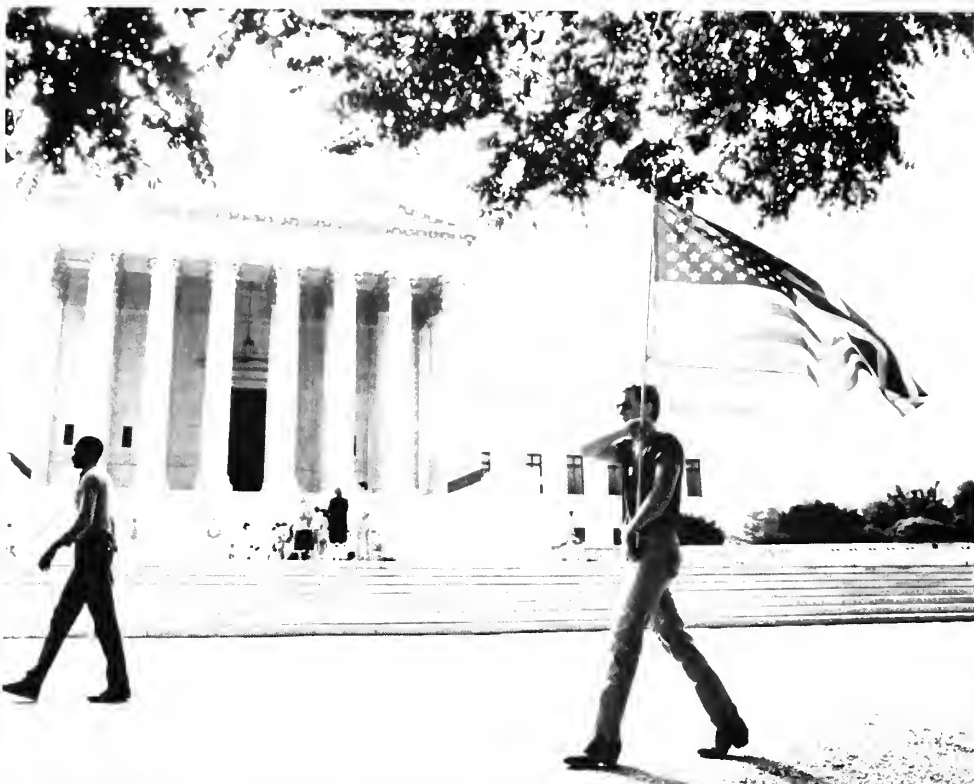

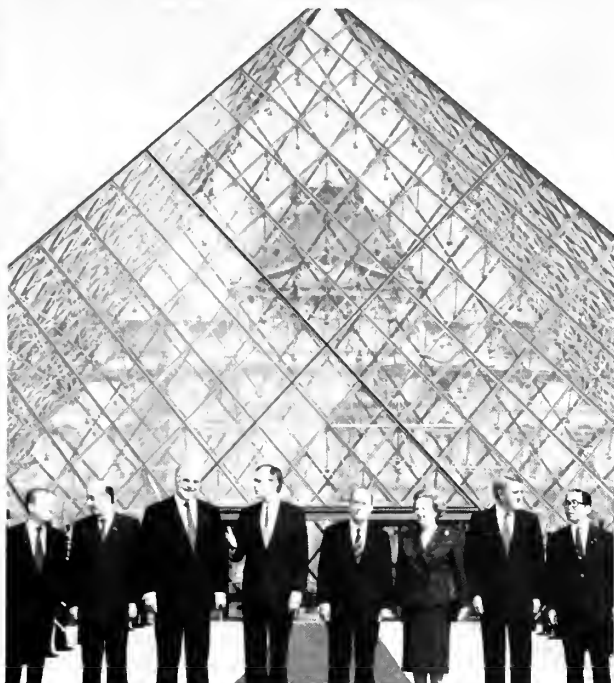

United Airlines pilot, Captain Al Haynes, declared "there is no hero" in the fiery DC-10 crash in which survivors outnumbered fatalities. Of the 296 people aboard, there were 185 survivors. Aviation experts have credited Haynes with keeping the craft aloft until he reached the airport, where hundreds of emergency workers were waiting. The flight crew never doubted the stricken jetliner would make it to Sioux Gateway Airport, where the plane crash-landed short of a runway, flipped and broke apart. "We must not forget that 111 people perished in this accident. This crew... is dedicated to finding the cause of this accident so we can never have it happen again," said Haynes.

Leaders of the seven most powerful Western nations gathered in front of the Louvre Pyramid for the opening session of the Economic summit in Paris. They are (l/r) EC President Jacques Delors, Italy's Giorgio de Mita, West Germany's Helmut Kohl, President Bush, host French President Francois Mitterand, Britain's Margaret Thatcher, Canada's Brian Mulroney and Japan's Souseke Uno.

A pledge was made to address the environmental problems that threaten the planet, and they endorsed a significant strategic switch in the way rich countries cope with the Third World's staggering \$1.3 trillion debt.

For the first time, the seven leaders agreed that the best way to ease the debt burden of poorer nations is to persuade banks to provide some relief instead of simply issuing new loans.

The problems of terrorism, narcotics and East-West relations were also addressed.

The Supreme Court has limited the power of the states to outlaw the desecration or destruction of the American flag. Justice William J. Brennan, writing for the court, said, "If there is a bedrock principle underlying the 1st Amendment, it is that the government may not prohibit the expression of an idea simply because society finds the idea itself offensive or disagreeable."

"We do not consecrate the flag by punishing its desecration, for in doing so we dilute the freedom that this cherished emblem represents."

Joining Brennan were Justices Thurgood Marshall, Harry A. Blackmun, Antonin Scalia and Anthony M. Kennedy.

Martial law was declared on May 20, and troops attempted to move into the Tiananmen Square — Beijing, China but were driven back by masses of citizens sympathetic to the protesters.

On June 3, troops opened fire on the protesters, smashing through barricades with tanks to reach Tiananmen Square. While the government claims that nearly 300 people, mostly soldiers, were killed, diplomats and Chinese say up to 3,000 died, and Chinese Red Cross officials estimate 3,600 people were killed and 60,000 injured.

The Rolling Stones launched their 1989 tour August 13 when they pulled into a tiny New Haven, Connecticut, nightclub for a tuneup that thrilled 700 fans who paid \$3 apiece for the impromptu gig.

The Stones, who had been rehearsing for the previous six weeks in the tiny north-west Connecticut town of Washington, brought the house down with an 11-song, hour-long set.

Members of the band are (l/r) Ron Wood, Mick Jagger, Keith Richards and Bill Wyman. The drummer behind is Charlie Watt.

This tour is the Stones' first in eight years.

Cincinnati Reds Manager Pete Rose, one of the greatest players in the history of baseball, had been banned for life from the game for betting on his own team.

Rose, who has continued to deny he bet on baseball, can apply for reinstatement after one year. Even if he's turned down, the game's most prolific hitter will still be eligible for election to the Hall of Fame in 1992.

"I've been in baseball three decades and to think I'm going to be out of baseball for a very short period of time hurts," Rose said at a press conference in Cincinnati, where he was born and where he broke Ty Cobb's all-time hit record of 4,191 in 1985.

"Pump Boys and Dinettes"

The Lendon Players opened their 1989-1990 season with a real hum-dinger, "Pump Boys and Dinettes." A different approach by the Players was seen when this musical became a staged concert of country and western music. The musical ran October 31 through November 4, selling out three of the five nights.

Jim ran a filling station with his partners L. M., Eddie, and Jackson. They weren't alone on Highway 57 out there between Smyrna and Froglevel, Georgia as the Dinettes, Rhetta and Prudie Cupp, kept them company and well fed with their famous Peeeeecan Pie. The best laughs came from songs such as "Fisherman's Prayer," "Catfish," "Mona," and "Farmer Tan." The chance of winning a raffle even came true for five audience members as they walked away with an air-freshener and their very own picture made with the Pump Boys and Dinettes.

The musical went on to compete in the American College Theater Festival against five other colleges and universities and was the only Mississippi production recommended to compete in the regional competition in Tampa, Fla. Adjudicators were extremely intrigued with the musical talent found in Willy Bob on keyboards, Earl with guitar and bass, and Odie on the drums.

The cast and crew, directed by Denise Halbach and Robert Lee, worked together to create a very real and entertaining show.

British Studies

Hinds Community College is the only two-year college that is a member of an academic consortium of several colleges and universities in the southern and southwestern United States supporting an international study program entitled the "British Studies Program." The British Studies Program is a residential summer session offered annually during July and August in London, England.

While allowing participants ample free time for independent travel, the session offers courses in Anthropology, Art, Clothing and Textiles, Community Health, Computer Science, Criminal Justice, Education, English, Environmental Design, Geography, History, Hotel Restaurant, and Tourism Management, Journalism/RTF, Library Science, Music, Nursing, Philosophy, Psychology, Planning, Political Science, Sociology, Speech and Hearing Sciences, Theatre, and Business Courses.

In this program, the majority of on-site lecturing is coordinated by local British scholars, exposing students to leading experts in their fields. Five week and three week courses are offered. Financial aid is also available.

A mini-break is also scheduled to allow time for personal travel outside of London, along with low-cost optional day tours to general places of interest. Cambridge, Dover, Canterbury, Stratford-upon-Avon, Oxford, and Stonehenge are often included.

British Studies Coordinator for Hinds is Britt Brown. She is also a Philosophy Instructor at Hinds and a Professor of Philosophy for the British Studies Program.

Ms. Brown and her Philosophy students payed a visit to St. Mark's Cathedral in Venice, Italy.

Students who enrolled in Philosophy are enchanted by the beautiful scenery of Kirchberg am Wechsel an Alpine resort area outside Vienna, Austria. This is where the students attended the International Wittgenstein Symposium.

BRITISH STUDIES GROUP — First row, Left to right: Cass Collins, Britt Brown, Hinds Coordinator; and Mardi Matthews. Second row: Andrea Marx, David Myers, Katherine Heard, and Kathy Bettencourt.

Some of the Hinds students took a weekend trip to Colyton in East Devon on the English seacoast. They were guests of Martin and Julie Barre. Mr. Barre is the lead guitarist for the rock group Jethro Tull.

Eagles Win Titles

The Eagles captured title after title and climbed their way into the World Series of JUCO baseball. They won the South Division title and went on to capture the State Championship, next came the Region 23 Championship where they beat out Delgado Community College of New Orleans with a 7-5 win. This win put the mighty Eagles on the road to Greenville, South Carolina for the Eastern District Tournament. There, the Hinds team suffered a loss against Louisburg Junior College but came back to win four more games and captured the Eastern District Championship title and sent them on to Colorado. In Greenville the Eagles won 4-3 over North Greenville and 13-8 over Louisburg on May 19. The following day, Hinds took a double-header from the undefeated Aquinas, Tennessee team, 7-6 and 5-3, setting a Mississippi Junior/Community College and Region 23 precedent. In Grand Junction, Colorado the Hinds team suffered two losses, but they made history as the first Mississippi team to play in the JUCO World Series.

The Eagle cheerleaders placed first in both fight song and the cheer/chant competition. The squad also received eight blue superior ribbons and five gold superior ribbons, and was named the Most Collegiate Squad in the all-girl division. Eagle mascot David Longstreet was named camp mascot.

EAGLES WIN STATE, REGION AND

What started as an ordinary baseball season for the Hinds Community College Eagles led them to the National Junior College Athletic Association's Baseball World Series in Grand Junction, Colorado and made them the first Mississippi JUCO team to ever attend the series in its 32 year history.

How did the Hinds Eagles get there? The hard way, they earned it. The Eagles captured title after title and climbed their way to a "Rocky Mountain High" and into the World Series of JUCO baseball. They won the South Division title and went onto capture the State Championship, next came the Region 23 Championship where they beat out Delgado Community College of New Orleans with a 7-5 win. This win put the mighty Eagles on the road to Greenville, South Carolina for the Eastern District Tournament. There, the Hinds team suffered a loss

against Louisburg Junior College but came back to win four more games and captured the Eastern District Championship title and sending them on to Colorado. In Greenville, the Eagles won 4-3 over North Greenville and 13-8 over Louisburg on May 19. The following day, Hinds took a double-header from the undefeated Aquinas, Tennessee team, 7-6 and 5-3, setting a Mississippi Junior/Community College and Region 23 precedent.

Commenting on the baseball team prior to their trip to Colorado Hinds President Dr. Clyde Muse said, "We are not only winning championships, we are making history." Hinds Coach Rick Clarke looked at the success of the team in the light of it being a merger year of two teams, "It's the merger year and we had two

coaches, two teams, and a lot to sort out. We had to find a new identity and it has all worked out. There's been a bunch of old veteran coaches and good baseball teams in Mississippi that haven't been able to make it to the JUCO World Series. There's a significance in that and it feels great," Clarke stated.

In the first game of the JUCO series the Hinds team faced the Norsemen of Northeastern Oklahoma A&M. Hinds chased Northeastern ace Chris Murdock, who came in with a 13-1 record in the first inning. Murdock had left the Eagles score five runs after facing seven batters and he was only through two-thirds of the first inning.

The Eagles stunned the Golden Norsemen with Jeff Long leading off with a two base hit. Terre Woods

followed and brought Long in with a base hit. Noah James came to bat and he too made a base hit that brought in Woods for the score and the Eagles led 2-0 before the Norsemen knew what had happened. Both Van Reed and Doug Thomas managed to get base hits for Hinds when Terry Gray came to bat. The next play brought the Eagle fans to their feet as Gray hit a three run home run putting the ball into the deepest part of Stocker Stadium, just left of the scoreboard and 410 feet from home plate.

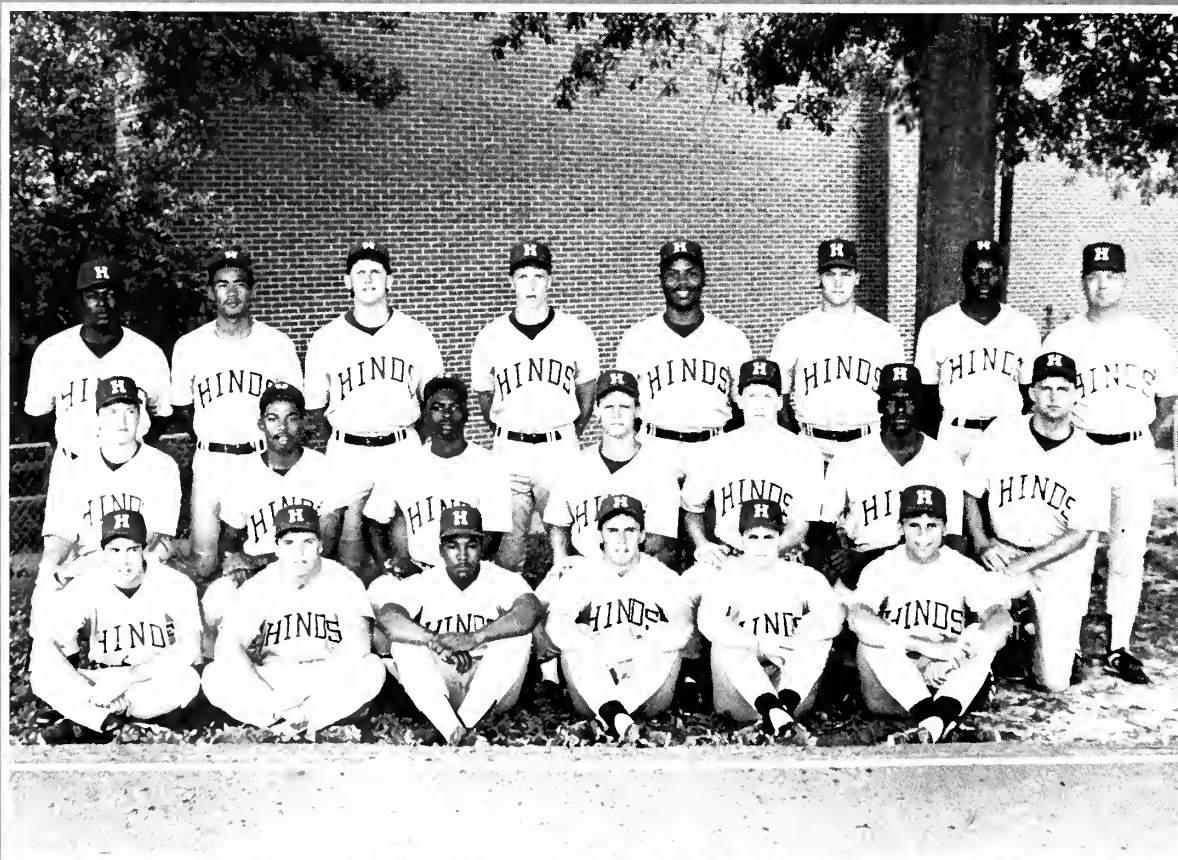

Unfortunately the lead was not to last long for the Eagles as the Norsemen came back to score two runs in the bottom of the first and tied the game with three in the third.

In the fourth inning Northeastern broke the game open with a bases-loaded single to center, which was misplayed by Hinds and allowed all three runners to score.

The Eagles were able to score one more time with a sixth inning play when Matt Fouchard knocked in Jeff Showah giving Hinds their final score of the game.

The game was called in the bottom of the seventh inning on the eight-run rule when the Norsemen lead off with a solo home run giving the Northeastern Oklahoma A&M team a 14-6 win over the Eagles.

The Eagles were still alive in the series and had to face Brookdale Community College of Lincroft, New Jersey on Sunday, May 28, to remain alive in tournament play. The Eagles first score came in the first inning when Noah James' hit brought in Jeff Long. The lead was short as Brookdale came back with two scores in the second inning. The Eagles were unable to score again until the fifth inning when Terre Woods brought in

Jeff Long with a base hit.

The Eagles fell behind 4-2 until they added five runs in the top of the sixth for a 7-4 lead. With one out, Van Reed and Terry Gray drew back-to-back walks and Jeff Showah followed with a two-run double to the right-center field to tie the game. After Matt Fouchard walked, Jeff Long hit a double down the right-field line that scored Showah and Fouchard. Long then scored on Terre Woods' ground-rule double.

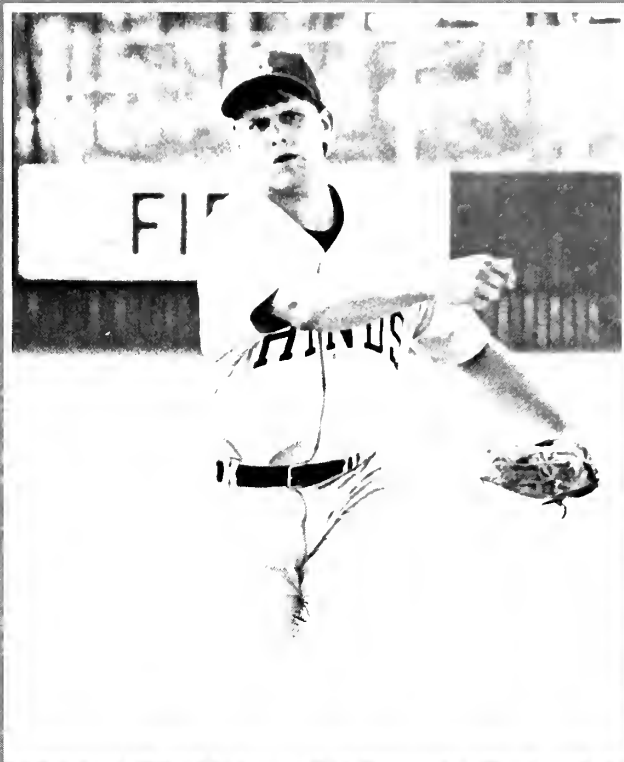

Leading 7-5 in the bottom of the ninth Hinds pitcher Cedric Robinson walked two Brookdale players. After Sean Ennis sacrificed the runners to second and third, Edward Scott ripped a two run triple to left-center for a 7-7 tie and forcing Hinds to bring in ace reliever Mark Anders, who intentionally walked two players to load the bases.

Chris DeDominico put his game-winner off Anders just beyond second base. "They did that all day," said Hinds Coach Rick Clarke. "That's baseball,

it's goofy sometimes." Clarke also remarked.

The Eagles lost 8-7 to Brookdale Community College but had the satisfaction that they had accomplished something that no other Mississippi Junior/Community College team had ever done before, a berth in the JUCO NJCAA World Series in Grand Junction, Colorado.

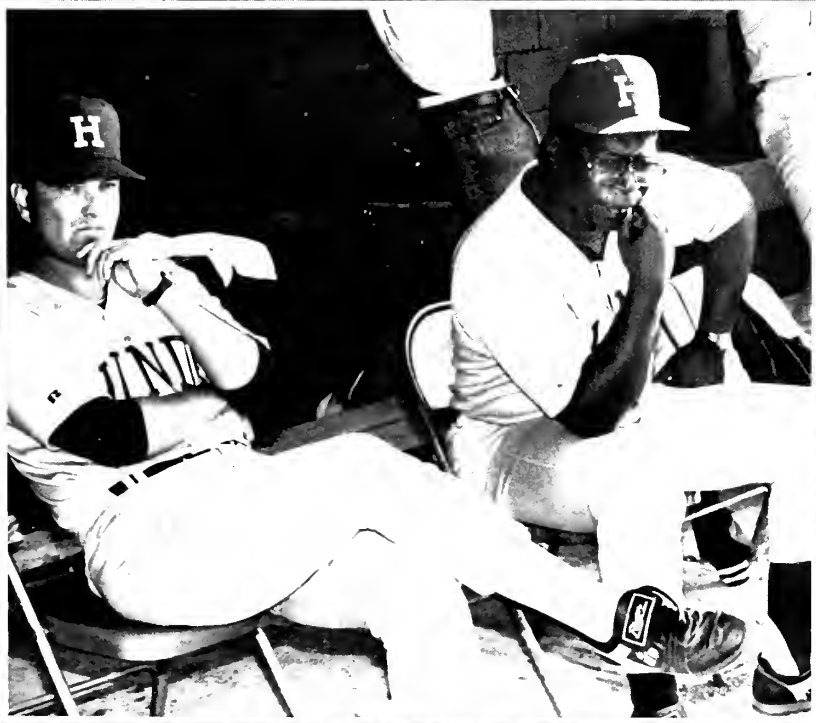

Commenting on the team and series Hinds Coach Rick Clarke said, "This was an outstanding experience for both our players and Coach McQuitter and myself. Not only did we all get to enjoy this trip baseball wise but we also got to see some of the United States that most of us have never seen before. We are looking forward to next year and a new group of athletes that will be coming in to join the few returning members of the Eagle team."

Eagle champions show their pride after winning the State Championship with a victory of 5 to 3 over Pearl River Community College.

COACH DEBORAH NICHOLS

Women softball players begin training in the fall to prepare for the softball season which begins in the spring. Women's athletics are a vital part of the total sports program at Hinds. Last year they were the State and Region 23 Champions.

Led by the thirteen year veteran coach Deborah Nichols, the 1989 State and Region 23 Coach of the Year, the Lady Eagles have an overall record of 299 wins and 173 losses. Her teams have produced All-Americans in 1984, 1987, and 1989.

The Hinds women's softball team has been among the top three community and junior college teams in the state since 1983.

LADY EAGLES GRAB STATE TITLE

It's been four years since the Hinds Community College Lady Eagles softball team captured the State and Region 23 Championship title but the dream came true again as the Hinds team defeated the Lady Bulldogs of Gulf Coast 5-4 to capture the 1989 title. The Lady Eagles had an overall 32-5 record for the season and advanced to the National Junior/Community College Softball Tournament in Hanceville, Ala-

bama May 5-7. The Lady Eagles had to play four games in the State and Region 23 Tournament held in Meridian to claim the title with the team facing Gulf Coast three of those games. In game one Hinds defeated the Meridian Community College Lady Eagles 9-8 and faced Gulf Coast in game two with Hinds taking the win 11-7 over the Lady Bulldogs. In their second match-up with the Lady Bulldogs Hinds lost 4-2 to

Gulf Coast causing a third game due to double elimination rules. In the game for the championship titles Hinds came out with the 5-4 win after the score was tied 4-4 when Hinds' Dee Dee Anderson of Port Gibson scored on a two-out, seventh inning single by Verlynisia Alexander of Clinton for the winning run. Hinds Coach Deborah Nichols commenting on the title said, "The team went into the tournament with a great deal

of unity, spirit, determination and talent which helped them win the title. In several games this season we were behind but came back to win the games and I feel that the whole year has been a team effort with everyone playing well together."

Alumni of the Year

The 1989 Hinds Community College Alumnus of the Year distinction has been awarded to two brothers, Charles K. Clark, Class of 1967, and Dr. Robert L. Clark, Class of 1969. Each co-recipient has made significant contributions to his chosen field, and their many professional successes reflect on their academic beginnings at Hinds.

Both men are extraordinarily community service-oriented and are leaders in their respective professional organizations as well.

Charles K. Clark, Class of 1967

While a student at Hinds, Charles was a member of the Debate Club, the Westminster Club, and the Student Senate, among other things. He says, "It took me 12 years to graduate from Hinds. I grew up having the unique opportunity to be nurtured by Titans in the education field and I learned a great deal just being around, working in the gardens, with the likes of Marvin Riggs, Lurline Stewart, Belle Lindsey, T. Beemon . . ."

"The greatest congregation of teaching talent that I have encountered was at Hinds. They were the best I have had." This from a man who holds degrees from Millsaps College, the University of Virginia, and Arizona State University, with further work at two other prestigious universities.

Charles holds a Master's degree in American economic history and one in health services administration.

His professional activities include membership in the Council on Planning for the Georgia Hospital Association, the Georgia Communications Council of the Voluntary Hospital of America, and the American Marketing Association. He holds executive membership in the American College of Health Care.

Robert L. Clark, Class of 1969

In his Hinds student days, Robert was president of the Debate Club and Phi Theta Kappa, a member of the Student Senate, Circle K, the debating team and *The Hindsonian* staff. He states, "The unique environment at Hinds allowed me to participate in a variety of extracurricular activities, giving me the training in diverse areas which continues to be useful to me in my current work. And the training I received at Hinds in mathematics, English, history, and science provided me with the foundation to compete with the top students in some of the best colleges and universities in the country."

After graduating with special honors in mathematics, he went on to Millsaps College where he graduated magna cum laude in 1971. He received his Master's and his Ph.D. degrees in economics from Duke University. He is well known as a researcher and he has authored or co-authored a proliferation of respected articles, books, chapters and papers in his areas of expertise.

Professional organizations he is active with include the American Economic Association, the Gerontological Society of America, and the International Union for the Scientific Study of Population.

His community activities center largely within the framework of University programs and student activities at North Carolina State. Dr. Clark provides lectures and occasional advisorship to student organizations, and is heavily involved in departmental committee work.

These Hinds Alumni enjoy the Alumni luncheon, at which the Clark brothers were honored on Homecoming Day.

The Employee Appreciation Program mirrored the efforts of some 800 full-time Hinds employees on May 5, 1989, and continued a six year tradition of rewarding excellence, loyalty and service.

This year the program offered a new opportunity to recognize more employees for outstanding service. The category of Outstanding Support Staff Member of the Year was divided to include two areas: Staff Member of the Year — Clerical/Technical and Staff Member of the Year — Crafts/Trades. The number of recipients in other Outstanding Award areas were also increased, bringing the total to 26 Outstanding Award recipients from which the Distinguished Award recipients were also selected.

In addition, the evening's program saluted years of service achievers, honored retirees, and recognized a new 3E Award winner.

1989 Miss Hinds Community College

Tracy Yarbrough of Germantown, Tennessee was the winner of 1989 Miss Hinds Community College Pageant held March 8 in Cain Hall Auditorium. She represented Hinds in the Miss Mississippi Pageant last summer in Vicksburg. There she was the recipient of an \$800 talent scholarship.

Yarbrough, a freshman at Hinds, also scored highest in the swimsuit and talent competitions in the Miss Hinds Community College Pageant.

1989 Sports Hall of Fame

Jill Ray Black was All State while she played Lady Eagles basketball during the 1949-51 seasons. A consistently high scorer with a good hook shot, she was exceptional at handing off. The Lady Eagles were state champions during her first year and came within three points of the state title in her second. Along the way she developed an overhead set shot that was impossible to guard.

After Hinds, she played forward for the State Board of Health team, the "Healthettes," shooting a total of 100 points during five games played in the 1951 national AAU Tourney. She was Honorable Mention and All American during this time. With her husband, William, she lives in Calhoun City where she is clerk and pianist in her church.

The Sports Hall of Fame recognizes former Hinds Community College students who make outstanding contributions to intercollegiate athletics. Recognition is given to those individuals who achieved further distinction in high school; or professional sports either as a coach or as a player.

The Alumni Association, a part of the Development Foundation, was pleased to announce the induction of the following into the 1989 Sports Hall of Fame: Jill Ray Black, Othel Mendrop, Homer Boyd, Jobie Harris, and Bill Morris. The Coordinator of Alumni Services is Mrs. Zandra Nowell.

Homer Boyd, 1956-58, ran up the yardage starting at Raymond High School, where he caused a sensation by gaining 1,292 yards during the 1955 season, right on through Hinds and the University of Southern Mississippi. At Hinds he played end and was All American End in 1957, when the Eagles went undefeated. That year he was named to the Junior College All-American Team. Known as a hard-hitting player who played by the rules, Boyd helped the USM Golden Eagles enjoy a winning season during his first year there.

Boyd is employed with Penrod Drilling Company and lives with his family in Learned.

Jobie Harris came to Hinds in 1930 as athletic director and coached and taught here until his 1970 retirement. Earlier, at Millsaps, he fielded his position as a short stop in baseball, and, as a tail-back on the gridiron, he had a high, long punt that his running teammates came to count on. Trailing his reputation as "The man with the educated toe," Harris coached sports at Hinds until 1945 when he took on more teaching responsibilities. He continued to officiate at basketball and football games and was a co-founder of the Mississippi Officials Association; he also helped establish the State Physical Education and Health Department. He and his wife, Jim-El, also a retired Hinds instructor, live in South Jackson.

Othel Mendrop, 1945-47, combined football and track with his first year of basketball at Hinds and did well in all, taking honorable mention in basketball and winning the mile run. As a sophomore he was named to the All State basketball team for the Junior College Conference. He accepted a basketball scholarship to Memphis State University, and later, in the U.S. Air Force, he lettered in basketball.

After a career that encompassed entrepreneurship, teaching, and coaching, and 12 years as a high school principal and 13 as assistant superintendent of the Warren County Schools, Mendrop recently retired as administrative assistant for the Vicksburg-Warren School District. He lives in Vicksburg with his family.

Bill Morris, 1947-49, improved his already high scoring while playing basketball for the Eagles, going from 13.5 ppg to a steady 17.3 ppg during his sophomore year. He occasionally "even outscored (teammate) Nick Revon," a charter member of the Hinds Sports Hall of Fame. Serving with the U.S. Navy, Morris played hard for the West Coast Navy team, winning a spot in the National AAU tournament to go to the final game of the All Navy Championship. Career-wise, his seven year high school basketball coaching record stands at 515 won, 293 lost. Today he is a teacher, coach and migrant recruiter for Rapids Parish School Board. He and his wife, Barbara, live in Alexandria, Louisiana with their family.

RANKIN CAMPUS

When Rankin County voters went to the polls on June 20 and voted for the Rankin Campus Bond Issue, they gave the "green light" to more than just a tax increase. They said "yes" to establishing a comprehensive degree-granting community college in Rankin County. The former Rankin Branch is now the Rankin Campus and Phase III, a \$5.5 million academic and technical building, is expected to be completed and open for students in January 1991, says Jimmy Smith, Rankin Campus Dean.

George Wynne, Rankin County representative on the Hinds Community College Board of Trustees, states, "In an era when public education policy and schooling, in general, are being maligned by citizens and politicians, the people of Rankin County are investing heavily in their educational institutions. They are demanding more and they are willing to pay for it."

The new building will accommodate an additional 1500 college students and ease the crowding at the location's Academic and Library Building

which opened in 1987 and quickly reached its 900 student capacity. Phase III adds 26 classrooms and labs, plus a lecture/performing arts hall and a large multi-purpose area which would be available for economic development activities.

The Rankin Campus plans to see its first two-year graduating class during the spring of 1993, two years after the completion of Phase III, says Smith.

Paralleling educational opportunity is the economic impact that comes with having a comprehensive community college in-

county, states Dr. Clyde Muse, president of Hinds Community College. In reference to the construction of the academic and technical building, he says, "We feel it will be one of the greatest things that could happen to Rankin County, increasing the quality of life, expanding the work force, and aiding economic development."

Between classes and on breaks is a great time for students meet new friends and catch up on the latest news at the Rankin Campus.

Our Pride Is Showing

The Lighter Side

Oh, come on girls! A little sweat never hurt anyone.

Does something look a little out of place here?

Excuse me, but could you repeat that please?

Kay Cliffe had to beat this guy up to go out with her.

Please, Mister! I didn't mean to do it.

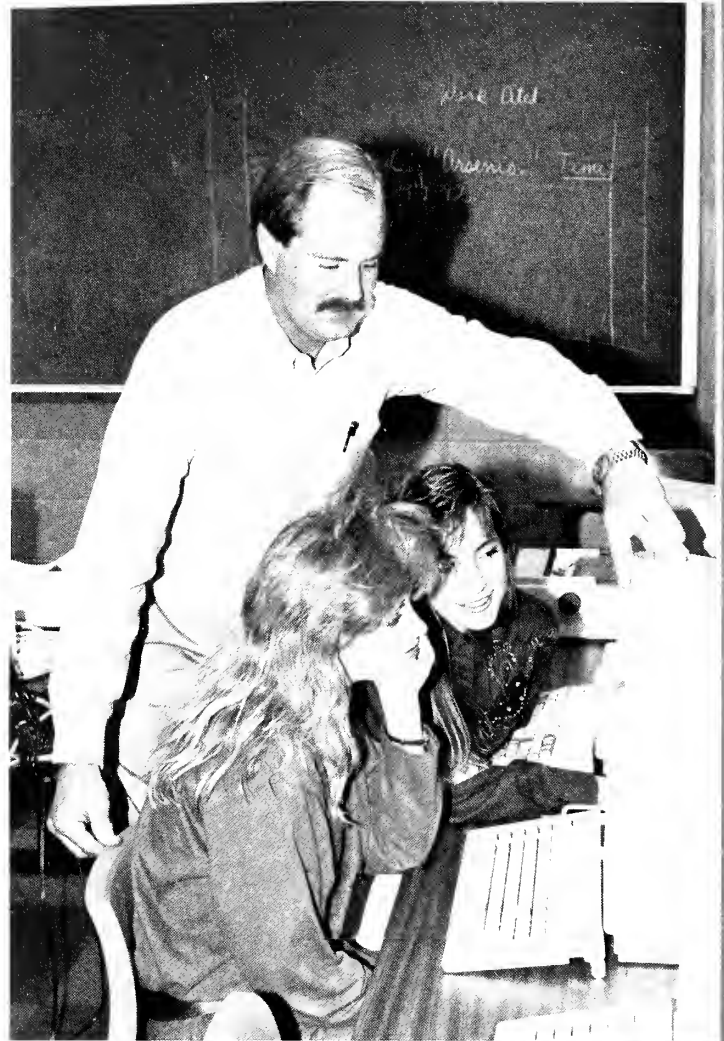

Is that a smile on his face?

The Lighter Side

Are all these girls really for Todd, or are they just wanting to get noticed?

This year Jack Hite decided to start his very own computer dating service.

Do you
come here
often?

Dr. Muse, you look as though you've seen a ghost, but don't worry that is not the new Miss Hinds you just saw it's the new Mess America!

I just can't reach it!

Jarrod won this car for hitting a bridge!

The Lighter Side

Shake! Shake, shake, it! Shake! Shake! Shake, shake it!

Do you sometimes feel that you and your date just don't go together?

Is there something alive in there?

Don't close your eyes. It's not going to make the cafeteria change into Mazzio's!

Sometimes we feel like flying away!

One day I want to grow up and have big muscles just like you!

Editor's Closing

It is hard to believe that this year, the yearbook and my two years at Hinds are almost finished. I would never have believed when I was a freshman that I would be Editor of the 1990 *Eagle*. A year ago when Peggy Mingee, Editor of the 1988 and 1989 *Eagle*, asked me if I would consider running for Editor, I thought she was crazy. I had to think about it for a while but I committed myself to the yearbook then and I do not regret one minute of it. There are so many good things that come from being Editor. To see the excitement in someone's eyes as they look through a yearbook that I have worked on, to get proofs back and see that a year of work is finally coming together and that it is not half bad, are just a few of the things that come with yearbooks. There is only one thing that I ask, please do not be too critical on the yearbook, it takes more work than anyone will ever know. The past nine months have been the hardest and most rewarding of my life. Sometimes it seemed as if the 320th page would never be complete. I came to realize that the hard times and enduring more work than you are able to handle only help you to grow stronger as a person.

There are so many people I want to thank, but most of all is my parents. They taught me how to have strength, courage and confidence in myself to make me feel that I could do the job. Thanks for everything! I would like to thank my family, Dr. and Mrs. Clyde Muse, Jackie Granberry, Bebe Garrison, the Reading Department, and the Development Office. You all helped me so much! If it was not for your encouragement and support I would not have made it through two years of college and one of those being Editor!

Sheena, my Assistant Editor, was always there to offer encouragement and to add life to many situations. When the office

sometimes seemed to be a madhouse, she was the picture of calmness. Thanks! Also, thanks, Ray and Marty, for not only being great photographers but great friends as well.

Suzanne, you were great for putting up with all those long, late hours at the office. Chris, the yearbook would not be anywhere without you. Thanks for putting so many hours into the darkroom, and finding the time to take and manage all those pictures. Alison, we could not have finished without you!

Many, many thanks to all my section editors, Kay, Candy, Tamra, Vivian, and Heather. Thanks for putting up with my griping, begging and pleading to get your pages finished on time. There would not be a yearbook without all of you. If you only knew what I meant when I said, "I need those pages before the next deadline." I appreciate everything all of you have done. My many thanks to the staff, Pam, Stacy, Lisa, Beth, Melanie, Renee, Kim T. and anyone else who helped! It was all worth it in the long run!

Thanks to all the Public Relations staff, Jeff, Brad, Mrs. Willie, Mrs. Marsha, Mrs. Samantha, Felicia, Janice, and Mr. Moss but especially Colleen for giving me hope when I thought there was none. Thank you for all your support, you really helped me and stood by me when I needed it most! Thanks for just being there

for me.

To Nancy Jones, the yearbook Account Representative at Taylor; Ben Allen, our Taylor Representative; and Delores Landin of Taylor, who helped design the cover, opening pages, and division pages with her creative style, thank you for all your help, it was greatly appreciated! The yearbook would not exist without our advisor, Bob Hodges. Thank you Bob, for all the help, patience, and understanding you gave me to help me through rough times.

I apologize for having so

many "thank you's" but it takes more than one person to complete a yearbook. The 1990 *Eagle* and all who helped to make it possible will always hold a special place in my heart. I hope that I have produced a yearbook that captures many of the special memories for you in the past year and I hope everyone will look back on your Hinds years and remember the good ole days of fun and friendship!

Good luck next year and remember patience!
